

Dear Club Executive

Happy New Year!

We trust you had a wonderful holiday season.

By now, we expect that your club has its executive team in place for 2019. In order to ensure that we can communicate with you properly, it's important that we have your up to date information. It would be great if you can e-mail us at [secretary@intercountytennis.com](mailto:secretary@intercountytennis.com) the **name, e-mail address** and **cell phone number** of your **President (or Club Representative)** and **Treasurer**.

Many clubs deal with these contact situations by setting up generic email addresses such as president@xyztc.com or info@xyztc.com; **we're requesting the individual's name and phone number too.**

Thank you, all the best,

John Mowat, Secretary
