

ICTA MIXED LEAGUE – YEAR END TOURNAMENT RULES

The ICTA Mixed League Year End Tournament is an opportunity for those teams that have excelled in league play during the year to compete at the year-end tournament to crown the level champions. The results of this tournament are supplemental to the season and do not affect promotion and relegation for teams in any way.

To all of those competing, we wish you the best of luck.

SECTION 1 – TEAM ELIGIBILITY

- 1.1 Teams who finish first or second in their division are eligible for tournament play.

All players must still qualify to play on the team in question to play in the year end tournament.

- 3.1 Teams will be seeded in the draw according to their winning percentage that they earned during the regular season.

 - I. % of SETS WON divided by SETS LOST

 - III. Coin Toss
- 3.4 First and second place teams from the same division will not be seeded on the same side of the draw. This may affect seeding slightly.

- 3.6 The top ranked team will be seeded against the lowest rated team on their side of the draw.
- 3.7 The highest seeded team playing in a tournament fixture is always the home team unless by mutual agreement.
